ORDER ON "PLAINTIFF'S NOTICE OF DEFENDANTS' NONCOMPLIANCE WITH THE AUGUST 27, 2026 ORDER AND MOTION TO COMPEL SWORN IDENTIFICATION AND IN CAMERA TENDER OF WITHHELD RECORDS"

THIS CAUSE came before the Court on "Plaintiff's Notice of Defendants' Noncompliance with the August 27, 2026 Order and Motion to Compel Sworn Identification and in Camera Tender of Withheld Records," filed on September 11, 2026. The Court, having reviewed the motion, the record, and the law, and being otherwise fully advised in the premises, hereby orders as follows:

(1) Regarding Plaintiff's request that the Court enter an order finding that Defendants' September 10, 2026 filing does not comply with Paragraphs II(d) and II(e) of the August 27, 2026, Order; determining that Defendants' return is legally insufficient; and confirming that the tolling in Paragraphs III(a) and III(f) continues until Defendants comply, the Court **ORDERS** Defendants to file proof of transmission of the documents to the Court within three (3) days of this Order. It is **CONFIRMED** that the tolling in Paragraphs III(a) and III(f) continues.

(2) The Court **GRANTS IN PART** Plaintiff's second request, to the extent that Defendants are **ORDERED** to, within seven (7) days, file and serve a certification by the records custodian or the custodian's designee, sworn under penalty of perjury, stating, after reasonably inquiry: (i) whether records responsive to the December 13, 2024, and January 9, 2025, scheduling and attendance categories exist; (ii) if records within those categories exist and were not produced, the reason they were withheld; and (iii) whether the list of withheld records in Defendants' Amended Response is complete as to every record responsive to Plaintiff's requests.

(3) The Court **GRANTS** Plaintiff's third request and **ORDERS** Defendants to produce every non-exempt responsive record in the December 13, 2024, and January 9, 2025, categories to the Plaintiff within seven (7) days. If such records have already been produced, Defendants are **ORDERED** to file a response stating as such and indicating when such records were produced and how such records were transmitted to Plaintiff.

(4) As to Plaintiff's fourth request, if records other than those listed in Defendants' September 17, 2026, Amended Response is not a current and complete list of all records withheld from Plaintiff's public records request, the Court **ORDERS** Defendants to produce to the Court within seven (7) days of this Order a current cumulative index of all records withheld.

(5) The relief requested by Plaintiff's fifth request, for an Order directing that where any withheld record contains both confidential and non-confidential content, Defendants are to redact only the confidential portion and produce the remainder directly to Plaintiff, is to be undertaken by the Court as part of its in-camera inspection.

(6) Plaintiff's sixth request that Defendants tender every withheld record to the Court for in-camera inspection specifically in native electronic form with metadata intact, and to file a Notice of Filing is **DENIED WITHOUT PREJUDICE.**

(7) The Court expects all parties to comply with the restrictions against ex parte communications.

(8) Any relief not specifically granted herein is **DENIED.**
