Case No.: 25-CA-010255
Division: B

ORDER ON "PLAINTIFF'S MOTION FOR RECONSIDERATION IN PART AND CLARIFICATION OF THE AUGUST 27, 2026 ORDER"

THIS CAUSE came before the Court on "Plaintiff's Motion for Reconsideration in Part and Clarification of the August 27, 2026 Order," filed on September 8, 2026. The Court, having reviewed the motion, the record, and the law, and being otherwise fully advised in the premises, hereby orders as follows:

(1) Plaintiff's request that the Court order Defendants to identify every record that falls within the categories requested in the Amended Petition and to make statements regarding whether they were produced or withheld is **DENIED.** The Court likewise **DENIES** Plaintiff's request relating to an order directing Defendants to conduct a search for and produce records. This Court will not order Defendants to conduct a new search under this proceeding. As to Plaintiff's relief requested regarding the search for records on the December 13, 2024, and January 9, 2025, hearing records, the Court addresses records that would fall within that category in its "Order on Plaintiff's Notice of Defendants' Noncompliance with the August 27, 2026 Order and Motion to Compel Sworn Identification and in Camera Tender of Withheld Records." Accordingly, that request is **DENIED AS MOOT.**

(2) The Court understands Plaintiff argues he is entitled to the April 4, 2025, hearing on a good faith basis. Without waiving Plaintiff's alternate argument for entitlement to the video, the Court finds good cause for release of the video to Plaintiff exists. Production of the video is addressed in the Court's "Order on Plaintiff's Motion for Production of the April 4, 2025 Hearing

Video and, in the Alternative and Without Waiver, Submission on Good Cause in Response to the August 27, 2026 Order."

(3) Plaintiff's third, fourth, fifth, and sixth requests are **DENIED.**

(4) The parties are **ORDERED** to complete briefing and cite applicable authorities regarding the issue of whether a sworn statement attesting to confidentiality and exemption of records is required.

(5) Any relief not specifically granted herein is **DENIED.**

DONE AND ORDERED in Chambers in Clearwater, Pinellas County, Florida, this 28th day of September 2026. A true and correct copy of the foregoing has been furnished to the parties listed below.
