Name/Firm/Company: Hillsborough County Courts

Subject/Category: Florida Family Law Process
My daughter 5 and 7 have suffered through the Florida family law process now for nearly a year. It started with one simple discovery issue. Now with dishonest lawyers and a Judge who's desperate to keep the lawyers happy, my children's welfare is in jeopardy. The Judge in my case spent nearly 100k of her own money to get elected in 2020. She's up for reelection next year. It's a nightmare and I'd like to make as many officials aware of these problems as I can even if it won't help my kids. There are certainly many children who have suffered consequences due to similar problems and it must stop.

Dear Chris Hanson,

The Florida Attorney General's Office received your correspondence regarding the Hillsborough County Court and the judge in your case. We appreciate hearing from you, and I am sorry for your family's difficulties.

In regard to court decisions, the Florida Attorney General's Office is part of the executive branch of government and cannot supersede or circumvent the actions of the judicial branch. If you have concerns about a judge's decision or the outcome of a court case, please consider consulting a private attorney. This office is not authorized to provide legal opinions or advice to private individuals.

Additionally, the Attorney General's Office has no jurisdiction to accept or investigate a complaint of judicial misconduct against a Florida state judge or magistrate. In order to have your complaint considered by the only institution with jurisdiction over the judicial officer, you must follow the procedures described below.

"Filing a Judicial Conduct Complaint Against a Florida Judge"

The Florida Judicial Qualifications Commission (JQC) was established by the Florida Constitution in 1966 and is the sole body authorized to investigate allegations of judicial misconduct in Florida. In 1990 the Commission was divided into an Investigative Panel and a Hearing Panel.

The Investigative Panel functions much like a grand jury and investigates allegations of judicial misconduct. If probable cause is found and formal charges are filed, then the Hearing Panel serves as a special master making findings of fact and recommendations to the Florida Supreme Court as to the appropriate discipline.

The Commission is comprised of six judges, five laypersons selected by the Governor, and four Florida Bar members. The Chair of the Commission selects nine members to serve on the Investigative Panel and six members to serve on the Hearing Panel. For more information on the complaint process, please visit: <https://floridajqc.com/complaint-process/>. The JQC's contact information is:

If you have concerns regarding an assistant state attorney involved in your case, please contact the Hillsborough County State Attorney's Office. Pursuant to Article V, Section 17, of the Florida Constitution, each of the elected state attorneys operates independently. The state attorneys' offices are not a part of the Attorney General's Office. For more information about Florida's state attorneys, please see http://www.leg.state.fl.us/Statutes./index.cfm?App_mode=Display_Statute&URL=0000-0099/0027/0027.html.
