(24)

(25)

(1) P R O C E E D I N G S

(2) THE COURT: All right. Good morning,
(3) everyone. Can you all hear me alright?

(4) MS. HANSON: Yes. Good morning, Your
(5) Honor.

(6) THE COURT: Good morning.

(7) MR. HANSON: I can't hear anyone. I'm
(8) sorry, I don't know if you all can hear me or
(9) not?

(10) THE COURT: Yes, I can hear you.

(11) MR. HANSON: You can? Okay. Can you say
(12) something, please?

(13) THE COURT: Sure, sure. Mr. Hanson, can
(14) you hear me alright?

(15) MS. HANSON: I can now. Thank you, Judge.

(16) THE COURT: All right. Fantastic,
(17) fantastic.

(18) All right. I have us here on
(19) Case No.: 2024-DR-001150; Hanson versus
(20) Hanson.

(21) Appearances for the record, starting
(22) with the Petitioner, please.

(23) MS. HANSON: Yes, Your Honor. I
(24) apologize. Sarah Hanson on behalf of myself.

(25) THE COURT: All right. Good morning,

- (1) ma'am. How are you?
- (2) MS. HANSON: Good morning, Your Honor.
- (3) Good, thank you.
- (4) THE COURT: All right. And for the
- (5) Respondent, please.
- (6) MR. HANSON: This is Chris Hanson on my
- (7) own behalf.
- (8) THE COURT: Good morning, Mr. Hanson. How
- (9) are you doing?
- (10) MR. HANSON: I'm okay.
- (11) THE COURT: Good, good. All right. Madam
- (12) court reporter, can you hear me alright?
- (13) THE COURT REPORTER: I can, Judge. Was
- (14) there another name on there, on zoom? Maya?
- (15) THE COURT: Was there another name on
- (16) there?
- (17) THE COURT REPORTER: On -- on zoom? Maya
- (18) or -- I just have to list everyone.
- (19) MS. HANSON: Counsel for myself, we had to
- (20) part ways. So I don't have counsel anymore.
- (21) So I believe you're looking at maybe perhaps my
- (22) former attorney.
- (23) THE COURT: No, there's no one else in the
- (24) zoom room.
- (25) THE COURT REPORTER: Okay. I thought I

[Page 5]

(1) saw a Maya something. Maybe that was --

(2) THE COURT: That was from a prior hearing.

(3) She was just logging off.

(4) THE COURT REPORTER: Oh, okay. Great.

(5) Thank you, Judge.

(6) THE COURT: All right. Fantastic.

(7) I have us here on a case management
(8) conference regarding scheduling issues; is that
(9) correct?

(10) MS. HANSON: Yes, Your Honor.

(11) THE COURT: All right. Who requested the
(12) case management conference?

(13) MS. HANSON: I believe both of us, Your
(14) Honor.

(15) THE COURT: Okay. Then I'll just start
(16) with Petitioner. Ms. Hanson, what issues are
(17) we needing to address?

(18) MS. HANSON: So, Your Honor, previously we
(19) had -- there's prior notices of hearing with a
(20) case management conference to try to get the
(21) case back on track. There's a list previously
(22) noticed of one, two, three, four, five, six,
(23) seven, eight, nine, ten motions.

(24) Originally there was a hearing in
(25) April, if I recall correctly, of all motions

[Page 6]

(1) that were going to try to be heard in an
(2) eight-hour time block.

(3) We kind of all got hung up on this
(4) second motion, which required us to have
(5) extensive testimony regarding the guardian
(6) ad litem. So that, perceived with three more
(7) hearings as continuations of those. And then
(8) the Court was resetting those, as we were
(9) dealing with that motion. And then the rest
(10) kind of fell off of the block, so to say.

(11) So basically we are just looking to
(12) pick up where we left off. And I'm fine with
(13) another eight-hour hearing day, and an hour on
(14) a motion here and there, however the Court
(15) wants to handle it to try to get --

(16) And we were working off the ones as
(17) filed in order. So I just pulled up one of the
(18) prior. The May 16th was the original notice of
(19) hearing.

(20) So I would ask the Court to -- you
(21) know, whatever time you had available to start
(22) on those motions, beginning -- it looks like
(23) the next one we have is for docket entry 77.

(24) THE COURT: Let me pull up the May 16th.
(25) That was docket entry 302; correct?

[Page 7]

(1) MS. HANSON: Yes, Your Honor. Let me make
(2) sure.

(3) THE COURT: Okay.

(4) MS. HANSON: Yes, Your Honor. Yeah, that
(5) one works. That's the one I pulled up.

(6) THE COURT: Okay. And it looks like on
(7) that notice we have -- you said the next one --
(8) the first one on that matter is a motion for
(9) appointment of the guardian ad litem.
(10) Obviously, we addressed that.

(11) MS. HANSON: Correct.

(12) THE COURT: I see that there was a motion
(13) for a rehearing, a reconsideration filed on
(14) that. But the request at this time is to
(15) schedule the remaining matters on that notice;
(16) is that correct?

(17) MS. HANSON: Yes, Your Honor. And then if
(18) the subsequent motions that have been filed
(19) since that time are not resolved, you know,
(20) then taking those up in order, as well.

(21) THE COURT: All right. Mr. Hanson?

(22) MR. HANSON: Your Honor, as I've said many
(23) times, it's a single issue case. The only
(24) issue is is that I wanted discovery back in May
(25) of 2024, and Mrs. Hanson wanted to avoid it.

[Page 8]

(1) And it's truly unbelievable where we
(2) are now with the guardian ad litem ordered for
(3) my happy, healthy children. And with a Court
(4) that refuses to find facts, refuses to
(5) acknowledge my constitutional rights. It's
(6) really unconscionable.

(7) The Court -- the first motion was the
(8) Docket No. 22 from May of 2024. And the Court
(9) was going to go in the order for the motions,
(10) and the Court discussed that, and was going to
(11) order them to actually produce records.

(12) And what has happened many times
(13) throughout, Mr. Davis again said Judge, I don't
(14) want to do that. And the Court said oh, you
(15) don't have to. You guys just maintain your
(16) objections.

(17) So the Court acted like it dealt with
(18) Docket 22, but it didn't. It did what it's
(19) done for two years now, which is avoid the
(20) discovery issue on behalf of Sarah, and
(21) assisted her with committing ongoing marital
(22) fraud; thus causing extreme damage to my
(23) family.

(24) And now the Court's --

(25) THE COURT: Mr. Hanson, can I ask you a

(1) quick question on that issue?

(2) MR. HANSON: Sure.

(3) THE COURT: All right. So that was Docket
(4) Entry No. 29; is that correct?

(5) MR. HANSON: 22.

(6) THE COURT: 22, I apologize. And then
(7) there was an order entered on that; is that
(8) correct?

(9) MR. HANSON: No, no. The Court started to
(10) deal with it at the -- I believe it was the
(11) April 17th hearing, because it was the first
(12) motion that was filed.

(13) And it seemed as though the Court was
(14) going to order Mrs. Hanson to actually produce
(15) records. And then Mr. Davis said we didn't
(16) want to do that. And the Court suddenly said
(17) no, we're not, and that you just maintain your
(18) objections. So nothing was done.

(19) So, I mean there's no reason to put
(20) it in order, you just said maintain the status
(21) quo with the objections, and put it off.

(22) So I --

(23) THE COURT: No, that's not -- I'm sorry,
(24) that was not my understanding.

(25) MR. HANSON: That's exactly what happened,

[Page 10]

(1) Your Honor. It was at the April 17th hearing.
(2) I can likely find it in the transcript,
(3) although it would take me a few minutes at this
(4) point.

(5) MS. HANSON: It's -- Your Honor did enter
(6) an order, Mr. Hanson, to not agree with the
(7) order. And a written order was never
(8) submitted. That is -- so that's kind of
(9) where --

(10) THE COURT: Okay. I need a written order
(11) on that. My understanding was that I ordered
(12) the discovery. And I said if you have
(13) objections, you can do that. Though --

(14) MR. HANSON: Oh, if they have objections,
(15) Judge? If they have objections --

(16) THE COURT: Mr. Hanson --

(17) MR. HANSON: For two years they've hid
(18) this.

(19) THE COURT: Mr. Hanson, I'm going to ask
(20) you to please not interrupt me. Okay?

(21) MR. HANSON: Yeah. And I'm not going to
(22) play your jokes and your games, Judge.

(23) You are corrupt. And I want the
(24) community to know that, and they will know
(25) that. You're becoming the main villain here,

(1) Judge.

(2) MS. HANSON: Can I object to this?

(3) MR. HANSON: And that's the truth. And

(4) you're going to have to deal with it, Your

(5) Honor.

(6) THE COURT: I'm sorry, Mr. Hanson, that --

(7) MR. HANSON: And I'm sorry that this has

(8) come to this, but --

(9) THE COURT: -- you feel that way.

(10) MR. HANSON: You're --

(11) THE COURT REPORTER: I can't take

(12) everybody at the same time.

(13) MR. HANSON: He's taking it out on my

(14) family and --

(15) THE COURT REPORTER: You guys, one at a

(16) time.

(17) MR. HANSON: And it is so absurd and

(18) unconscionable that -- and you think it's going

(19) to go away?

(20) I'm going to be out in front of the

(21) courthouse later this week and I'll be

(22) protesting. I'll be telling people about you,

(23) and the rest of the 13th Circuit, and how the

(24) media is killing the story. All of those

(25) things are simply true, and you will have to

[Page 12]

(1) deal with them.

(2) So if you think that you can hurt my
(3) children in the process, then think that. But
(4) there's going to be consequences for the things
(5) that you've done. And I don't expect you to do
(6) anything reasonable. You're going to do the
(7) same thing you've done for two years, which
(8) is --

(9) MS. HANSON: I object to this --

(10) MR. HANSON: The records --

(11) THE COURT: All right.

(12) MR. HANSON: And I'm not going to play the
(13) game of, like, this is serious that we're
(14) talking about motions and things. It's one
(15) issue. It's a black and white issue.

(16) There's the right thing to do and
(17) there's the thing that hides the misconduct in
(18) the 13th Circuit, the Florida Bar, and beyond.
(19) And you're committed to hiding misconduct, and
(20) I don't like it. And I'm going to continue to
(21) say the truth.

(22) And I'm tired of playing these motion
(23) games that's just costing us money and hurting
(24) my family. It's a game. You're trying to --
(25) usually I think that maybe judges are used to

[Page 13]

(1) being able to fix cases the way they want to
(2) with --

(3) MS. HANSON: Come on.

(4) MR. HANSON: -- there being some gray
(5) area.

(6) MS. HANSON: I have to object.

(7) MR. HANSON: But this is black and white
(8) from --

(9) THE COURT: I hear your objections.
(10) Ms. Hanson.

(11) MS. HANSON: I know, I know.

(12) MR. HANSON: From day one it's been black
(13) and white, Your Honor.

(14) And, you know, you won't view the
(15) video of Judge Ayers conduct. It is patently
(16) absurd that I have to sit here and pretend
(17) that you're a judge, and that anything
(18) that we're doing here is real.

(19) All you want to do is --

(20) THE COURT: All right. Mr. Hanson, I'm
(21) going to --

(22) MR. HANSON: -- is pursue the things
(23) that --

(24) THE COURT: -- ask you to --

(25) MR. HANSON: -- that I -- I'm not

[Page 14]

(1) finished, Judge. Please don't interrupt me, I
(2) want to finish.

(3) They don't even want the motion for a
(4) psychiatric evaluation or a vocational
(5) evaluation. I tried to raise all of that for
(6) months. They don't even want it.

(7) The only thing that the Court paid
(8) attention to is the one thing that I didn't
(9) want, and that was to drag my kids into more
(10) conflict.

(11) And that is absolutely unconscionable
(12) on this record where this Court has multiple
(13) times now suggested that it may or may not
(14) consider my constitutional rights.

(15) So if you think that you've acted
(16) appropriately in this case, Your Honor, I
(17) strongly disagree.

(18) THE COURT: Okay.

(19) MR. HANSON: And I would encourage you to
(20) look closely at your orders, and the
(21) transcripts that I've submitted, and consider
(22) rescinding the guardian ad litem, and ordering
(23) the discovery. You won't even let me get the
(24) discovery to make my argument on the guardian
(25) ad litem.

[Page 15]

(1) You're so anxious to throw my kids
(2) into a system that they don't need, and that I
(3) haven't been allowed to get the discovery for
(4) for two years. You won't let the witnesses I
(5) want to testify, because it will illuminate
(6) insider misconduct within the 13th Circuit.
(7) So you're fixing the case, and I'm tired of
(8) it.

(9) THE COURT: Okay. Thank you, Mr. Hanson.
(10) I appreciate your position. I'm sorry that you
(11) feel that way. I disagree.

(12) MR. HANSON: You just think that you get
(13) to be corrupt. You just think you're above the
(14) rules.

(15) THE COURT: Mr. Hanson, I'm going to ask
(16) you to please stop at this point.

(17) MR. HANSON: I'm going to ask you to stop
(18) being corrupt.

(19) THE COURT: Okay.

(20) MR. HANSON: And to recuse yourself, and
(21) go to some ethical retraining or something,
(22) Your Honor, because you don't belong on the
(23) bench when you're willing to hurt a family like
(24) this; to help hide misconduct.

(25) THE COURT: Okay. Ms. Hanson, I will

[Page 16]

(1) schedule the remaining motions all at one time
(2) for eight hours.

(3) MS. HANSON: Okay.

(4) THE COURT: I will --

(5) MR. HANSON: What are we going to do about
(6) Docket 22, Your Honor?

(7) THE COURT: I'm going to have my judicial
(8) assistant provide you guys the time. Okay?

(9) MS. HANSON: Okay.

(10) MR. HANSON: So you're not even going to
(11) pretend to be heard on Docket 22? You're just
(12) going to now say that we did skip it over to --

(13) THE COURT: Mr. Hanson --

(14) MR. HANSON: -- to get to a different
(15) item?

(16) THE COURT: Mr. Hanson, I tried to address
(17) it, and you interrupted me and said you're not
(18) going to pretend to talk about motions. So I'm
(19) not going to address that at this time.

(20) MR. HANSON: Okay.

(21) THE COURT: All right.

(22) MR. HANSON: So you're going to keep being
(23) as corrupt as you can, and hiding evidence? So
(24) are we even going to do the 4:00 hearing, or
(25) are you just wasting my time and taking me away

[Page 17]

(1) from my kids? You're just going to say -- Bar
(2) witnesses? We're hiding the same thing, Bar
(3) witnesses. I'm not going to make you come
(4) testify. We both want to hide our misconduct.

(5) Is that what's going to happen at
(6) 4:00? Because I'd rather just not waste my
(7) time, Your Honor.

(8) Just deny the motion. Don't go
(9) through the motions of acting like you're going
(10) to do anything fair.

(11) THE COURT: Mr. Hanson, we'll address the
(12) 4:00 at 4:00 hearing.

(13) MR. HANSON: Okay. I --

(14) THE COURT: I'm not going to --

(15) MR. HANSON: I hope you look at things
(16) very closely and perhaps consult with some
(17) people internally at the 13th Circuit, because
(18) this isn't going away, Your Honor.

(19) MS. HANSON: Stop threatening the Court,
(20) Chris.

(21) THE COURT: I'm not asking it to go away,
(22) Mr. Hanson. I'm doing what I think is needed
(23) in this case.

(24) MR. HANSON: Okay. Well, I keep doing
(25) what I think is right. And the community needs

[Page 18]

(1) to know what you're doing and who you are on
(2) the bench right now.

(3) THE COURT: Okay. All right. We're
(4) concluded for this case management conference.
(5) I will see you all at 4:00.

(6) MR. HANSON: Okay. I just want to
(7) maintain my objections that I'm still being
(8) precluded from any discovery.

(9) MS. HANSON: Just to clarify, Judge, will
(10) the judicial assistant email directly or should
(11) I reach out to her and follow-up?

(12) THE COURT: I'm going to have her reach
(13) out with a time that's available.

(14) MS. HANSON: Okay.

(15) THE COURT: And give you both the option
(16) to ask for different times.

(17) MS. HANSON: Okay. Thank you, Judge.

(18) MR. HANSON: Are we going to figure out
(19) what's happening with Docket 22 at that time?

(20) THE COURT: Mr. Hanson, I tried to address
(21) it, and you said you weren't going to pretend
(22) to address it. So I'm done addressing it at
(23) this point. Okay?

(24) MR. HANSON: Well, what are you -- will we
(25) ever hear about it or is it just not something

[Page 19]

(1) that the Court's going to consider at all?

(2) THE COURT: This is the second time I've
(3) said I've concluded this case management
(4) conference. Thank you all very much.

(5) MS. HANSON: Thank you, Your Honor. Have
(6) a good day.

(7) THE COURT: I'll see you at 4:00.

(8) (THEREUPON, this proceeding, via zoom,
(9) concluded at 11:00 a.m.)
