Good Morning, There was no talking. When I logged on it said, waiting for the host to admit you. Then I was just logged off and it said Denied.

Good afternoon, I got your information from Lucente Court Reporters. I was hoping you could give me some information about what happened when you hopped on for a video on September 2, 2026. Did you speak with Judge Keim directly or perhaps her assistant, Ms. Theresa Hall? Please let me know what was said and if you know whether any video or audio was taken even briefly. Thank you.

Here is the email for them. It was premier video but I do not know which videographer they had attend.

Thanks Dustin. Can you get me the name of the videographer and if they have it, the name of the person they spoke with at the Court.

Unfortunately, I do not have any written confirmation, everything was so short notice that the videographer called our office when she was removed from the

zoom. Honestly I am surprised that they were able to provide someone on such short notice.

Can you please send me any confirmation you have about the judge denying access to Premiere Video? Thanks.

It is my understanding that Premier Video was denied access by the judge. See below section that was on the notice for the hearing, this is probably why the videographer was denied access.

"Each party shall provide the court with a list of all parties, witnesses, etc. whom they expect to participate in the Zoom hearing, by Monday, August 31, 2026"

Also in the future please do not include any court reporters in emails, We have 18-20 different reporters and their jobs are assigned on Sundays for the week. The reporter you CCd in this email thread was not assigned to this hearing and had no knowledge that it was scheduled.

Good morning, please add a video request to the hearing today. I'm not sure if that's something we do automatically but I think last time you all told me that it wasn't anything additional so please proceed with that. Thanks so much
