UNIVERSITY OF FLORIDA BOARD OF TRUSTEES, and CUSTODIAN OF PUBLIC
RECORDS, UNIVERSITY OF FLORIDA,

Respondents. _____/

PETITIONER'S WITNESS LIST FOR THE SEPTEMBER 2, 2026 HEARING

Petitioner Christopher A. Hanson, self-represented, submits this witness list in compliance with the Order Setting Evidentiary Hearing Via Zoom entered August 25, 2026 (Filing 255637757), and states:

1. Petitioner may call the following witnesses:

a. **Christopher A. Hanson**, Petitioner. The requester; the author and recipient of the correspondence at issue; will testify to the requests, the productions received, and the communications with the University and its counsel.

b. **John Hines**, Director of Public Records and Records Custodian, University of Florida, as an adverse witness. Affiant of the sole affidavit Respondents have offered. Respondents have stated they will present Mr. Hines at the hearing.

c. **Daniel Quiros**, Cybersecurity Engineer, UF Information Technology. The person who, per the University's own produced processing file, ran the searches at issue, reported their results and their failure, and prepared the keyword charts and the extraction file described in Petitioner's filings.

d. **Dr. David Cuillier**, Director, Joseph L. Brechner Freedom of Information Project, University of Florida. Custodian of one of the two email mailboxes searched; author of produced correspondence concerning search results.

e. **Professor Jane Bambauer**, Brechner Eminent Scholar, University of Florida Levin College of Law. Custodian of the other searched mailbox; author of produced correspondence concerning the search and concerning her own review of her text messages.

f. **Bobby Block**, Executive Director, or **James Lake**, General Counsel, or a verified representative of the **First Amendment Foundation**. The Foundation is one of the bodies to which the Director of the University's Brechner Freedom of Information Project referred Petitioner, in correspondence the University itself produced. Petitioner's written requests for

comment to the Foundation remain unanswered.

g. **Denise M. Harle**, Director, or a verified representative of the **First Amendment Clinic, Florida State University College of Law**. The Clinic is likewise identified as a referral body in the University's produced correspondence, described there as an institution whose mission is to help people with these problems. Its knowledge concerns its declination of assistance and subsequent non-response.

2. Petitioner may call any witness listed or called by Respondents.

3. Petitioner may call witnesses for impeachment or rebuttal, whose need cannot reasonably be anticipated before Respondents' presentation.

4. **Reservation.** Respondents have not identified the records their searches located, the grounds for withholding any of them, or the persons who conducted each search described in the University's own processing file, including the mobile-device text-message search reflected at page 302 of Exhibit D to Respondents' Motion for Protective Order. Petitioner cannot complete the identification of witnesses as to records and searches Respondents have not identified. Petitioner reserves the right to supplement this list when that identification is made, and identifies such witnesses for now as: the person or persons who conducted each search described in the University's processing file for request No. W018463-032626, and the custodian or custodians of any record located in that search and not produced.

5. **Witness identification.** The August 25, 2026 order requires a copy of a driver's license for each witness a party may call. Petitioner can supply his own. Petitioner cannot obtain driver's licenses for the other witnesses listed above, none of whom is within his control: the University-affiliated witnesses are adverse, and Respondents have declined to accept service for any witness other than Mr. Hines, and the institutional witnesses at paragraphs 1.f and 1.g are non-parties. Petitioner respectfully proposes that those witnesses confirm their identity on screen at the hearing, and will comply with any alternative direction of the Court.

6. This list is served in compliance with the August 25, 2026 order and without waiver of Petitioner's pending motion asking the Court to designate the scope of the September 2, 2026 hearing, or of any relief requested in that motion or in Petitioner's pending cross-motion (Filing 253756192).
