IN THE CIRCUIT COURT OF THE THIRTEENTH JUDICIAL CIRCUIT
IN AND FOR HILLSBOROUGH COUNTY, FLORIDA

CASE NO. 24DR1150
DIVISION: D

IN RE MARRIAGE OF:

SARAH HANSON,
PETITIONER,

AND

CHRISTOPHER HANSON,
RESPONDENT.
_____/

MOTION TO COMPEL PAYMENTS OF PARTIAL CHILD EXPENSES AND REIMBURSEMENT OF RESPONDENT'S EXPENSES INCURRED TO DATE

Petitioner, SARAH HANSON, moves this Court for an Order compelling Respondent CHRISTOPHER HANSON, to reimburse the undersigned for the childcare expenses incurred to date and for expenses incurred by Respondent and states:

1. Petitioner relocated, in part at Respondent's insistence from the marital home. The undersigned purchased a separate home with the intent to co-parent.
2. As part of the understanding the respective parties would be responsible for the expenses incurred within the respective homes. Part of the agreement between the parties was also for them to split the childcare expenses incurred.
3. Since November of 2023, the undersigned has provided via email an outline of the expenses incurred at the agreement of the parties on behalf of their children.
4. Also, since November of 2023, Petitioner has not cancelled any expenses at the former marital home where Respondent has not transferred the credit card information; however, the expense incurred has been passed on to Respondent for payment.

5. Since November of 2023, Respondent has provided payment of the outstanding balance covering the expenses incurred.
6. As of April, the Respondent did not issue payment.
7. Respondent has demanded all banking records of the past seven (7) years, which Petitioner has advised will be produced only by Order of the Court.
8. Respondent now refusing to issue payment for the monthly expenses incurred until demands are met.
9. Respondent is not above the law and cannot withhold funds that go directly to the well-being of the children in lieu of going to the Court to force his will.
10. A true and accurate copy of the email correspondence is attached hereto and incorporated herein by reference **Exhibit A**.
11. As the school tuition was due, the full $16,000+ charge has been incurred.
12. The total amount payable is $11,127.67 for Respondent's portion of the expenses incurred in April and May of 2024.
13. Petitioner has not removed the credit card from these two accounts as the one payment is for internet and the other is for the pool use at the house.

WHEREFORE, Petitioner SARAH HANSON respectfully moves this Court for an Order compelling payment by Respondent for the shared expenses incurred to date as well as the expenses incurred by Respondent and for any other relief this Court deems just and proper.

CERTIFICATE OF SERVICE

I HEREBY CERTIFY that a copy of the foregoing has been served on Respondent via email cahanson77@yahoo.com on this May 14, 2024.

Subject: Re: Expenses to Date

Until you stop hiding MARITAL assets and correct the FRAUDS you have perpetrated, I will not be paying you anything. You can pay that out of money you STOLE from our marriage and LIED about. If I'm mistaken about your crimes and betrayals, there is a simple solution to prove that to me. Tomorrow I will have an attorney that will be pursuing this further on my behalf.
