IN THE CIRCUIT COURT OF THE THIRTEENTH JUDICIAL CIRCUIT
IN AND FOR HILLSBOROUGH COUNTY, FLORIDA
FAMILY DIVISION

IN RE: THE MARRIAGE OF

SARAH HANSON,
Petitioner,

and

CHRISTOPHER HANSON,
Respondent,

_____/

Case No.: 24-DR-1150

Division: D

REQUEST FOR HEARINGS AND NOTICE OF COMPLIANCE

The Respondent, CHRISTOPHER HANSON files this pleading and corresponding material pursuant to the Court's request for a list of motions requiring hearings, and states that the following filings require hearings:

1. Ms. Heyward sent an email on April 17, 2025 requesting that each party inform the Court in writing of filings that require hearings.

2. Husband sent an email to the Court one day prior, requesting hearings on various filings. (Attached as Exhibit A below).

3. Husband is still confused about what motions/filings were addressed sufficiently on April 3, 2025 to the point that the Court may enter orders on them.

4. Husband's position is that because he was not allowed to offer any evidence or argument, it's premature for the Court to enter any order granting relief to which Husband objects as there is critical evidence the Court has not heard.

5. Husband was not allowed the opportunity to present any evidence or argument whatsoever, nor even complete Wife's cross-examination at the April 3, 2025 hearing.

6. Husband did not have the opportunity to present any argument or evidence related to his motion for temporary relief filed at Docket #111 although that motion was noticed for the hearing as well.

7. Husband's motions and other filings that still require a hearing include the following:

- MOTION TO STRIKE WIFE'S MOTIONS FOR GUARDIAN AD LITEM, PSYCHOLOGICAL EVAL, VOC EVAL, AND TEMPORARY RELIEF FOR LACK OF PROSECUTION/COMPLIANCE WITH COURT'S REQUEST FOR SUMMARY OF WIFE'S TESTIMONY. (Docket #177).
- NOTICE OF OBJECTION AND REQUEST FOR CLARIFICATION AND AN OPPORTUNITY TO BE HEARD (at Docket # 173)
- MOTION TO STRIKE WIFE'S DECEMBER 13, 2024 MOTIONS AS SHAM PLEADINGS (Docket #172)
- RESPONDENT'S MOTION TO COMPEL PRODUCTION OF RESPONDENT'S THIRD REQUEST FOR PRODUCTION OF DOCUMENTS (Docket #163).
- RESPONDENT'S MEMORANDUM IN SUPPORT OF OVERRULING PETITIONER'S OBJECTION TO RESPONDENT'S REQUESTS FOR PRODUCTION OF DOCUMENTS AND MOTION TO COMPEL PRODUCTION TO HUSBAND'S FIRST AND SECOND REQUESTS FOR PRODUCTION. (Docket #162 and Wife's objections at Docket # 41).
- WIFE'S OBJECTION TO NOTICES OF PRODUCTION FROM NON-PARTY, MOTION FOR SANCTIONS, AND MOTION FOR AWARD OF ATTORNEY FEES, COSTS AND SUIT MONEY AND REQUEST FOR EXPEDITED HEARING (Docket #149).

- RESPONSE TO WIFE'S MOTION FOR TEMPORARY RELIEF AND HUSBAND'S MOTION FOR TEMPORARY RELIEF – PAYMENT OF CHILD SUPPORT AND ALIMONY. (Docket #111)

8. Husband specifically requests a hearing and an opportunity to present evidence and argument on all of these filings as Wife Counsel's non-compliance remains relevant despite the Court's change in position on needing the summary of Wife's testimony.

9. Additionally, Husband has filed a motion to void the post marital agreement at Docket #146.

10. However, additional discovery is necessary in order to address the issues in the motion in a meaningful way.

11. Husband shares the Court's frustration with the extent of filings in this matter.

12. The only issue that ever required litigation in this matter was discovery into Wife's finances.

13. Husband has consistently pursued this singular objective for a year, spending thousands of dollars on two attorney, well over a hundred hours of his own time, and even waiving any attorney client privilege in pursuing this single objective.

14. The course of events involving Mr. Davis and the Court are extremely concerning as every attempt to pursue equivalent, reciprocal discovery have been improperly rejected, ignored and buried despite Husband's good faith efforts.

15. The Court references judicial economy in the correspondence requesting this filing, and Husband again requests that the Court consider Husband's position that all of Wife's antics, the extreme costs, and continuing and even expanding the conflict are specific attempts at avoiding this discovery.

16. If the Court simply allows the discovery Husband seeks, the conflict and the drag on the Court's docket should immediately lessen.

17. Wife's motion at Docket #149 even requests an expedited hearing on the subpoena issue.

18. The Court had referenced that it would make a determination on that issue at the April 3, 2025 hearing and added a CMC for that purpose.

19. Husband submits that especially given the motion to void PMA as the Court had suggested multiple times, the subpoena issue is the one most obviously ripe for determination. (Docket #146).

20. However, until that happens, the Court will continue to see delay, obstruction and concealment attempts from Wife, and Husband's continuing good faith pursuit of the information in every venue available.

WHEREFORE, the Respondent, CHRISTOPHER HANSON, requests the Court enter an Order:

A. Overruling Wife's objections made at Docket #149, and instructing for the issuance of the subpoenas and any other discovery Husband wants to pursue on financial issues for at least the 3 years before date of initial filing for divorce,
B. Awarding attorney's fees and costs to Husband for time spent in pursuit of this issue,
C. Awarding Husband all further relief deemed appropriate to get the litigation on a fair trajectory with sanctions to discourage Mr. Davis from damaging other families in a similar manner.

CERTIFICATE OF SERVICE

I HEREBY CERTIFY that a true and correct copy of the foregoing has been furnished to all designated on e-service list on this 21st day of April, 2025.

Good morning. Please find attached a motion related to the summary of testimony that Wife's counsel agreed to provide the court by a week ago and I've heard nothing. Forgot to send the motion filed yesterday on it, and Mr. Davis didn't help like he normally does! You will find that here. If a hearing on that is necessary, it should be quite short and may resolve my questions on Court schedule etc. below.

**Motions that still need to be set for hearing (in addition to those that were set for 4-3):**

my motions to compel responses to and/or on Wife's objections to my 1st and 3rd Requests for production. The third RTP one should be easy as there are no objections and no response, even still now long after the motion to compel was filed. Perhaps no hearing even needed on that one?

I filed a motion to strike sham pleadings that needs a hearing.

I would also like to request a CMC or informal clarification on what the Court's schedule is. There were multiple dates referenced at the hearing on 4-3. I blocked the dates but don't have what's occurring at the various events.

Please let me know if the Court is waiting on anything from me. I prefer to offer my testimony at the hearing as opposed to summarizing ahead of time, but I had offered to provide that previously if necessary. Thank you and have a good day!

It's Docket #162 - which is a memo addressing the objections to the first and second RTP's.

It's Docket #163 - which is a motion to compel response to my third RTP for which there was no timely response nor objection(s).

Mr. Davis only noticed the objections on the 2nd RTP for the hearing. Please let me know if we can hear those tomorrow.

Thanks.

Good morning Ms. Heyward. I emailed you over a week ago below about whether we can hear the objections/motion to compel issues on the first and third requests for production at the hearing tomorrow where we're already scheduled to hear the same issues on the 2nd request for production. Should I just assume we will not get an answer now that we are just a day from the hearing? Thank you.

I did file a motion on that today.  I remain concerned about unethical conduct, coaching, etc. I will suspend the deposition and take appropriate action if we don't get a response from the Judge and anything inappropriate occurs.

Good morning.  I'm just following up on Mr. Davis's suggestion for a 15 minute hearing on the subpoena issue.  Like I previously noted, I was under the impression that the motion to void is what the Judge wanted so the subpoenas could go out.

Can we get something on the calendar for that ASAP?  I think it will make the 4-3 hearing much easier for everyone involved.  Thanks.

I'm a bit confused by Mr. Davis's objection, but agree that a quick hearing makes sense if we can get that on the calendar ASAP.  I looked back at the hearing transcripts and I believe that Judge Ayers simply needed the motion challenging the postnup filed in order to allow the discovery to go out.  Thank you.
