IN THE CIRCUIT COURT OF THE THIRTEENTH JUDICIAL CIRCUIT
IN AND FOR HILLSBOROUGH COUNTY, FLORIDA
FAMILY DIVISION

IN RE: THE MARRIAGE OF

SARAH HANSON,
Petitioner,

and

CHRISTOPHER HANSON,
Respondent,

_____/

Case No.: 24-DR-1150

Division: D

MOTION TO ADDRESS ATTENDANCE AT APRIL 2, 2025 DEPOSITION BASED ON THE COURT'S ORDER AT DOCKET #

The Respondent, CHRISTOPHER HANSON files this pleading and corresponding material pursuant to Fla. Fam. L. R. P. 12.150 and 12.160, and in opposition to Wife's motion to appoint guardian ad litem, motion for psychological evaluation, and motion for vocational evaluation and states:

1. The parties are scheduled to attend Wife's deposition on April 2, 2025.

2. Husband has sought an answer from Mr. Davis on whether he agreed to attend the deposition by zoom as well, at a separate location from Wife.

3. Instead of simply answering the questions on one of the 6 occasions Husband asked him, and one additional occasion when husband asked Mr. Davis and Ms. Heyward for clarification. (Exhibit A and B, p. 3-8 below).

4. As Husband has pointed out on numerous occasions, there are very serious concerns with Mr. Davis's ethical violations throughout the course of this case.

5. Husband has a logical and reasonable concern that such unethical conduct will continue at the deposition.

6. Mr. Davis nor the Court have provided Husband with any examples or explanations of what he's written, said, or done that required the Court to enter the

order preventing Husband from taking a live deposition.

7. Wife's counsel should not benefit from that order by attending the deposition live while precluding Husband from having that same benefit, especially given the concerns over ethical violations and fairness to date.

WHEREFORE, the Respondent, CHRISTOPHER HANSON, requests the Court enter an Order requiring:

A. Mr. Davis to attend the deposition from a separate location from his client.

B. Pay Respondent attorney's fees and costs associated with this filing as it is his intentional and unprofessional conduct that has necessitated this waste of the Court's and Husband's time.

C. Granting Respondent all other and further relief as this Court deems just and necessary.

CERTIFICATE OF SERVICE

I HEREBY CERTIFY that a true and correct copy of the foregoing has been furnished to all designated on e-service list on this 13th day of December, 2024.

Re: Hanson Dissolution of Marriage - Deposition of Dan Sorgie and subpoean to [redacted]

Hi Mr. Davis. Please answer my question below regarding your plans for attending the 4-2-25 depo - either separate from or with your client. I object to your attendance in person with your client. Please answer so that we know whether we require Court involvement.

Also, as far as dates for Mr. Sorgie's deposition, I can do 4-21, 22, 24, 28, OR 29, starting at 9am any of those days, subject to finding Mr. Sorgie and having him served in time for his attendance.

I'm also following up on setting Ms. Hodz's deposition as previously requested in separate correspondence. The dates above will work for either depo. I'm free until 1 each of those days. Please let me know ASAP as this is going to be a very busy week. Thank you.

Good afternoon. I'm following up on the request below for scheduling Dan Sorgie's deposition. Please let me know the status on getting dates for that.

Also, you'll find attached documents relating to a proposed subpoena. please let me know if you will agree to waive the waiting period so we can provide information to the Court on the kids' status at least via records.

I'd be happy to assist in helping you to obtain any medical or other records that you may need for the hearing.

Of course, my hope is that you will drop the guardian ad litem issue. I cannot understand how that's beneficial for anyone nor how anyone could miss the dangers that presents for the kids.

Again, please let me know any witnesses that you plan on calling or if there's any evidence you plan on offering that you have not yet provided. Trial by ambush doesn't serve anyone either.

Finally, as far as Mrs. Hanson's deposition, I believe the order supports that all will attend via zoom. please let me know if you are agreeing to appear via zoom or if I need to file a motion on that. Thank you.

Chris

Subject: Re: Hanson Dissolution of Marriage - Deposition of Dan Sorgie

Good morning. I don't believe you have sent over any dates for Mr. Sorgie's deposition in response to my email below. Please do that as soon as you can so I have time to do the subpoena and ensure proper service.

It's worth addressing a couple of other things now in hopes of limiting negative impacts on the kids at least.

My main concern is the guardian ad litem coming into the kids' lives. I believe the rest of the motions are a waste of time, but not dangerous in any way. Would you be agreeable to dropping the GAL issue if I were to agree on at least some of the other requests?

I'm also considering a motion to stay proceedings while the Writ process runs its course. Especially if you insist on pushing the GAL, I believe putting this case on hold while waiting for the DCA is the best thing for the kids.

I'm also confused about the fact that you have not pursued any of my medical records. If you and your client have any actual concerns about my abilities as a parent, I would think you'd want to see evidence of my current complaints and course of treatment. I know I've mentioned that I have no objection to you doing that. I'll even help you get the records before the hearing if you want?

As far as your client's deposition, are you agreeable to attending the deposition from a separate location from Mrs. Hanson? I will need to file a motion on that if not as I do not believe it is fair to have the benefit of attending live, while excluding me, especially given the facts.

For witnesses at the upcoming hearing, I cannot find anything that provides clear information on a deadline to disclose them and any exhibits. Please let me know the identities of any witnesses you plan on calling, and I will do the same for you once I have confirmation.

I am trying to figure out a way to minimize the impact on the kids' school. Are you and your client willing to consider a compromise on getting some information from the school thru a joint request of any kind - for a written narrative, answers to other questions, etc? I am going to subpoena a complete copy of their transcripts. Perhaps you will consider confirming no objection to that so that we can skip the waiting period?

Please let me know if you want to discuss anything regarding the above.

Chris

Good morning Ms. Heyward. I know the Judge has the stuff below to review. There's also a question over document 133 on zoom hearings and whether that requires Mrs. Hanson and Mr. Davis to appear separately via zoom or if they can be in the same room. And I apologize if this goes beyond the scope of scheduling, but the deposition is wednesday and figure it's a minor clarification. Mr. Davis has not responded to my questions although I will not attach those emails.

Thank you.
