Thanks for reaching out. I'm not sure if we are the right people to help – we don't do legal work. We focus on research and education in access to public records (I have a Ph.D., not a J.D., so I can't give legal advice). I'm happy to chat with you, but I wouldn't be able to do so until late next week – I'm organizing a conference that runs Sunday-Tuesday in D.C. and under the gun. But could chat Thursday or Friday next week w

Good morning. I've called and left messages a few times. However, I just noticed that I had your email address wrong. I'm having trouble with the Florida Bar and the 13th Circuit Court concealing records that are obviously not exempt from production. They have confirmed the existence and I've paid for them, but they intentionally concealed and continue to conceal the target records. I have the matter in litigation. I believe there is significant judicial misconduct throughout this matter that demonstrates an apparent two-tier system of justice. I'm really hoping that the **Brechner Freedom of Information Project** will look at some of this information with an open mind and an understanding that this type of corruption within the judiciary is dangerous and must be investigated. Rather than overwhelm you with attachments, I think it would be more helpful if someone could speak to me about the case and determine if FAF is willing to get involved. Thank you.
