Hello Chris Hanson,

My name is Grace Nzekwesi, and I am the legal associate here at First Amendment Foundation (FAF).
We have received your inquiry, and it is intriguing considering the denial of public records by
government agencies. I would like to schedule a phone conversation with you to better understand your
inquiry. In addition, if you can send the original public records request, complaint and the initial
pleadings for my review prior to our initial conversation.

I am available for a conversation this week during business hours.

Best,

Grace Nzekwesi, Esq.
