Please see attached letter regarding my intention to seek sanctions related to the manner in which you've handled this. Have you been in touch with Vivian at all on whether she objects to you communicating with me directly? I frankly don't understand her reasons for wanting to withdraw or what her position is, but I haven't heard from you.

I need dates on Sarah and Dan Sorgie's deposition, answers on whether you object to changing the 1-6-25 hearing to live with at least an hour reserved. Please let me know on that and any interest in cooperating to move these issues forward as soon as you can.

Mr. Davis. I was pleased to see your comment below on the need for consistency. I completely agree that is important in the legal system.

I'm a bit confused about what Vivian is doing here. I did not ask her to request an extension and shouldn't need one.

I had tracked down the additional records but for whatever reason, there were some that had to be mailed instead of emailed.

I've never actually been to either attorney's office to drop them off. No one had asked about them for several months so I never made a special trip.

I assume that for the sake of consistency, you are withdrawing any objections to the request to produce I've sent Sarah? Please let me know on that and when I can expect those records.

Are you also withdrawing any objections to the subpoenas? I know at least Gracie had communicated to you that I'm willing to compromise on the time frame - going back 3 years from date of filing. Please let me know if you are agreeable with that to get things moving forward.

If for some reason, you're maintaining your objection that such financial records are irrelevant, I'd ask why are you suddenly, after nearly 6 months from the stipulated due date, demanding I produce irrelevant records for you?

Please let me know on both Sarah's response to my RTP and the subpoenas and I'll take a look for the records. I didn't shred them, but I can't say that I know exactly where they are as a lot's happened in the last 6 months.

Also need to know on depo dates for Sarah and Dan Sorgie and whether you object to changing the 1-6-25 hearing to live and requesting at least 1 hour. Please let me know as soon as you can.

If there's anything I can do to move this forward, please let me know. Getting at least 3 years of financials is non-negotiable for me. It's far less than Sarah demanded of me and she was already well aware of all the information she requested. I don't want to waste any more time than I have to as this gets worse for my whole family as you drag this on. I'd hope that you and your client will reconsider and begin with some cooperation sooner rather than later.

Going thru the attorney fee hearing process or getting my bills covered are already non-negotiable for me. And don't worry, Vivian, I'll handle that part myself. It seems like it could get much more expensive and complicated as you all drag it out. To make it overly clear, that's not what I want and I'll work with you and Sarah to be efficient on it if you're willing to do that subject to the above.

Hi Vivian,

Based on the issues made relating to my client's prior discovery deficiencies, the tone of the email that Mr. Hanson sent me, and the fact that Mr. Hanson procured a reservation of fees when I tried to resolve the prior discovery issue, I cannot agree to an extension of time. He should be required to adhere to the same standards he insisted be applied to my client. Thank you.

Very respectfully,

Hello Scott,

As you are aware my office has filed a motion to withdraw as counsel for Mr. Hanson.

This communication has been forwarded to Mr. Hanson for his attention. I ask that the courtesy of an extension through January 15, 2025 be granted to Mr. Hanson to allow him to address the same as my withdraw is pending.

Thank you.

Vivian
